

# Gilded Cabochons

with **Debbie Rowley**

hosted by **Keystone Chapter for Mid-Eastern Region**

Virtual classes will be held on consecutive Sundays for six weeks beginning January 15, 2023 from 3:00 - 5:00 p.m.

Explore techniques for padding to emphasize areas, use texture to implement design and develop a natural stitching rhythm to encourage independence from diagrams. The monochromatic color scheme of Gilded Cabochons emphasizes texture over color.
